## BIO-150/RC Ultraviolet Air Purifier

### SUPERIOR, LOCALIZED INDOOR AIR QUALITY

For Residential & Commercial areas where duct mounting is not practical the Nature's Aire Systems Bio-150/RC is the answer. This self contained unit circulates and purifies the air in a localized area. Simple "drop-in" installation and access make set-up & service a snap. Self cleaning & designed for long life the BIO-150/RC is a non-intrusive flexible area air purification system.
